The bill shall be considered for amendment under the five-minute rule. Waives all points of order against consideration of the bill for failure to comply with the provisions of section 402(a) of the Congressional Budget Act of 1974 (requiring authorizations to be reported by May 15 prior to the fiscal year in which effective). Makes in order an amendment of a substitute consisting of the text of H.R. 5421, International Security and Development Cooperation Act of 1984, as an original bill for the purposes of amendment. Said substitute shall be considered by title, with each title considered as read. Waives all points of order against said substitute for failure to comply with the provisions of clause 7, Rule XVI (germaneness) and clause 5(a), Rule XXI (prohibiting appropriations in a legislative bill). Prohibits consideration of Title X of the substitute until the chairman of the Committee of the Whole so specifies. Until and after consideration of Title X for amendment, no amendment which affects the

matter in Title X relating to Central America shall be in order. No amendments to Title X shall be in order except the following, which shall not be amendable, and shall be considered as read and shall be considered only in the following order: (1) An amendment printed in the Record of May 3, 1984, by and if offered by, Representative Studds of Massachusetts, said amendment shall not be subject to a demand for a division of the question in the House or in Committee of the Whole, and said amendment shall be debatable for three hours, equally divided and controlled by Rep. Studds and a Member opposed thereto; and (2) an amendment printed in the Record of May 3, 1984, by and if offered by, Representative Broomfield of Michigan which shall be debatable for three hours, equally divided and controlled by Rep. Broomfield and a Member opposed thereto. The rule waives clause 7, Rule XVI (germaneness) and clause 5(a), Rule XXI (prohibiting appropriations in a legislative bill) against the Broomfield amendment. Finally, the rule provides one motion to recommit with or without instructions.

**Energy and Water Development Appropriations:** By a yea-and-nay vote of 349 yeas to 46 nays, Roll No. 163, the House passed H.R. 5653, making appropriations for energy and water development for the fiscal year ending September 30, 1985.

Rejected:

An amendment that sought to reduce the appropriation for general construction of the Army Corps of Engineers by \$1 million for funding of the Elk Creek Lake project; and

An amendment that sought to reduce funding for breeder reactor research by \$43 million and add \$33 million for solar energy and nuclear research programs (rejected by a recorded vote of 171 ayes to 229 noes, Roll No. 162).

An amendment was offered but subsequently withdrawn that sought to add \$1.2 million and provide the expenses necessary for the operation and maintenance of the Los Angeles-Long Beach Harbor Model.

A point of order was sustained against language that would have established a limitation on the price charged for uranium enrichment services.

H. Res. 501, the rule which waived certain points of order against the bill, was agreed to earlier by a

yea-and-nay vote of 246 yeas to 166 nays, Roll No. 161.

Page 13385

**Public Debt Limit:** It was made in order, section 402(a) of the Congressional Budget Act of 1974 to the contrary notwithstanding, to consider H.R. 5692, to provide for a temporary increase in the public debt limit, in the House on Wednesday, May 23, or any day thereafter; and that the previous question be considered as ordered without intervening motion except one motion to recommit.

Page 13417

**Quorum Calls—Votes:** Seven yea-and-nay votes, and one recorded vote developed during the proceedings of the House today and appear on pages 13417, 13362, 13363, 13376, 13384, 13412, 13361. There were no quorum calls.

**Adjournment:** Met at noon and adjourned at 11:16 p.m.

Pages 13592, 13768

**Defense Authorization:** House continued consideration of H.R. 5167, to authorize appropriations for fiscal year 1985 for the Armed Forces for procurement, for research, development, test, and evaluation, for operation and maintenance, and for working capital funds, and to prescribe personnel strengths for such fiscal year for the Armed Forces and for civilian employees of the Department of Defense; but came to no resolution thereon. Proceedings under the 5-minute rule will continue on Thursday, May 24.

Pending when the Committee of the Whole rose was an amendment that seeks to provide a limitation on the introduction of Armed Forces into El Salvador, Nicaragua, Honduras, Mexico, Costa Rica, Guatemala, Panama, and Belize.

Agreed to an amendment, as amended by an amendment (agreed to by a division vote of 96 yeas to 78 noes), that prohibits the use of funds for testing the Space Defense system against objects in space, until the President certifies to Congress that the Soviet Union has conducted a dedicated anti-satellite weapon test.

Prior to agreeing to the amendment to the preceding amendment, took the following actions:

Rejected a substitute to the original amendment that sought to provide a limitation on funds for testing of anti-satellite weapons for a period beginning October 1, 1984, and ending March 31, 1985, and to

continue the limitation until the President certified to Congress that the United States was attempting to get the Soviet Union to join the United States in the control, limitation, and reduction of such weapons (rejected by a recorded vote of 186 ayes to 228 noes, Roll No. 174);

Rejected an amendment to the preceding substitute that sought to limit testing of anti-satellite weapons if such test would cause the number of such tests to exceed the number of operational and developmental tests conducted before the date of the enactment of this Act by the Soviet Union (rejected by a recorded vote of 181 ayes to 229 noes, Roll No. 173);

Agreed to an amendment that would have limited testing until the President certified that neither the Soviet Union nor any other foreign power had conducted a test of a dedicated anti-satellite weapon (agreed to by a recorded vote of 238 ayes to 181 noes, Roll No. 171); and

Rejected an amendment that sought to limit testing of anti-satellite weapons if such test exceeded the number of tests conducted by the Soviet Union (rejected by a recorded vote of 178 ayes to 236 noes, Roll No. 172).

Agreed To:

Rejected an amendment that sought to provide that if a nuclear winter Government study is underway, the Secretary could participate to the extent directly relevant to the defense, and sought to authorize \$1.5 million for such purpose. This amendment was agreed to earlier in the Committee of the Whole on May 30;

Agreed to an amendment, as amended, that prohibits obligation of funds for acquisition of MX missiles unless the Congress approves the obligation of such funds by joint resolution after April 1, 1985 (agreed to by a recorded vote of 199 yeas to 196 noes with 1 voting "present", Roll No. 203). This amendment was agreed to earlier today in the Committee of the Whole; and

An amendment that requires DOD to report to Congress on nuclear winter findings and policy implications for nuclear weapons, arms control, and civil defense. This amendment was agreed to earlier today in the Committee of the Whole.

Took the following actions in the Committee of the Whole:

Agreed To:

An amendment that provides for implementation of the law to establish the Office of the Director of Operational Test and Evaluation;

An amendment, as amended, that places a limitation on the deployment of sea-launched cruise missiles designed to carry a nuclear warhead, unless Congress authorizes such deployment in legislation, until September 30, 1985 or until the President reports to Congress the Soviet Union has deployed a comparable type of sea-launched cruise missile and that it is technically impossible for the United States to have effective verification;

An amendment that continues for an additional year the test program to authorize price differentials to relieve economic dislocations (agreed to by a division vote of 20 ayes to 16 noes);

An amendment, as amended by an amendment (agreed to by a recorded vote of 199 ayes to 197 noes with 2 voting "present", Roll No. 198), that prohibits obligation of funds for acquisition of MX missiles unless the Congress approves the obligation of such funds by joint resolution after April 1, 1985 (agreed to by a recorded vote of 198 ayes to 197 noes with 1 voting "present", Roll No. 199). Earlier, agreed to a perfecting amendment to the original amendment by a recorded vote of 203 ayes to 182 noes with 2 voting "present", Roll No. 197;

A motion to limit debate on the bill and all amendments thereto (agreed to by a recorded vote of 213 ayes to 174 noes, Roll No. 200);

An amendment that directs the President to transmit to Congress a version of the report "A Quarter Century of Soviet Compliance Practices Under Arms Control Commitments: 1958-1983U";

An amendment that requires the approval of the Secretary of the Navy before the release from U.S. national security commitments of merchant vessels committed to foreign trade;

An amendment that provides procedures to prevent excessive cost overruns;

An amendment that requires DOD to report to Congress on nuclear winter findings and policy implications for nuclear weapons, arms control, and civil defense; and

An amendment that permits the Secretary of the Army to sell ammunition for avalanche-control purposes.

Rejected:

An amendment that sought to authorize the Defense Inspector General to terminate or suspend payments on contracts where audits have shown there had been waste, fraud, or abuse;

An amendment that sought to prohibit further deployment of Pershing II missiles or ground-launched cruise missiles unless NATO notified the United States there was a NATO consensus for further deployment (rejected by a recorded vote of 104 ayes to 291 noes, Roll No. 202). By a recorded vote of 55 ayes to 321 noes, Roll No. 201, rejected a motion to limit debate on this amendment;

A substitute to the previous amendment that sought to also require a Presidential determination that the Soviet Union had taken comparable action demonstrating restraint in intermediate range nuclear missiles and that such determination could be rejected by a joint resolution of Congress. Rejected a clarifying amendment to this substitute; and

An amendment that sought to provide that cost should be a secondary consideration in contracting architectural and engineering services and to lift the

existing dollar cap on contracts that might be set aside for small business.

Agreed to amend the title.

The Clerk was authorized to make necessary technical corrections, including title and section numbers, punctuation, and cross references, in the engrossment of the bill.

**IMMIGRATION REFORM AND CONTROL ACT**

*Committee on Rules:* Granted a modified open rule providing 5½ hours of general debate on H.R. 1510, Immigration Reform and Control Act of 1983, with 2 hours to be equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary, 2 hours to be equally divided and controlled by the chairman and ranking minority member of the Committee on Agriculture, 1 hour to be equally divided and controlled by the chairman and ranking minority member of the Committee on Education and Labor, and 30 minutes to be equally divided and controlled by the chairman and ranking minority member of the Committee on Energy and Commerce. The bill shall be considered for amendment under the 5-minute rule. It shall be in order to consider an amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in italic in the bill and reprinted in the Committee Print, Committee on Rules, June 8, 1984, as original text for the purpose of amendment under the 5-minute rule. Substitute shall be considered as having been read. Waives all points of order against

substitute for failure to comply with the provisions of clause 5(a) Rule XXI (appropriations in a legislative bill). No amendment to the bill or the substitute shall be in order except the 69 amendments to the substitute contained in the Committee Print which must be offered in the order as printed in the Committee Print and must be offered by the sponsor designated or by the chairman of the appropriate committee or his designee for committee amendments. Each such amendment, if offered, shall be considered as having been read and all points of order against each such amendment are waived, even if an amendment changes a portion of the substitute already changed by amendment. Amendments printed in the Committee Print are deemed to comply with clause 6, Rule XXIII (guarantee Members 5 minutes debate on amendments printed in the Congressional Record). Amendments are non amendable except for the offering of pro forma amendments for the purpose of debate and are not subject to a demand for the division of the question. Designated amendments may be adopted but only the last amendment of those designated may be reported back to the House: If amendments numbered 31 and 32 are both adopted, only the latter shall be considered as having been finally adopted and reported back to the House; if amendments numbered 33 and 34 are both adopted, only the latter shall be considered as having been finally adopted and reported back to the House; if amendments numbered 40 and 41 are both adopted, only the latter shall be considered as having been finally adopted and reported back to the House; and if more than one of the amendments numbered 46, 47, and 48 are adopted, only the last amendment of those three which has been adopted shall be considered as having been finally adopted and reported back to the House. Provides one motion to recommit with or without instructions. After the passage of H.R. 1510 provides for the consideration of S. 529 and waives all points of order against the Senate companion bill for failure to comply with section 311(a) of the Budget Act. Allows a motion to strike all after the enacting clause of the Senate bill and insert in lieu thereof House passed language. Provides that the previous question is considered as ordered on the amendment and the Senate bill, with one motion to recommit.

Page 16115

Withdrawn:

Abdnor Amendment No. 3201 (to Abdnor Amendment No. 3200), of a perfecting nature, to strengthen the provisions of section 3(d)(2)(B) of the Act of September 30, 1950, and to assure that proper regulations on comparability and the contribution rate be used to carry out the Act.

Page 16141

During consideration of this bill today, the following action also occurred:

By 44 yeas to 48 nays (Vote No. 124), Senate rejected a motion to waive Title III of the Congressional Budget Act of 1974 with respect to the consideration of Armstrong Amendment No. 3189 (to Glenn Amendment No. 3179), of a perfecting nature, to establish two new programs of educational assistance for veterans of peacetime service. (By 46 yeas to 51 nays (Vote No. 123), Senate earlier failed to table the amendment.) Subsequently, a point of order that the amendment was in violation of the Congressional Budget Act was sustained, and the amendment thus fell.

H. Res. 543, providing for consideration an amendment to the Senate amendment on H.R. 2769, to promote economic revitalization and facilitate expansion of economic opportunities in the Caribbean Basin Region (H. Rept. 98-879);

H. Res. 544, providing for the consideration of H.R. 5950, to increase the Federal contribution for the Quadrennial Political Party Presidential Nominating Conventions (H. Rept. 98-880); and

H. Res. 545, providing for the consideration of H.R. 5953, to increase the statutory limit on the public debt (H. Rept. 98-881).

Page 19984

**Economic Development of Territories:** House passed H.R. 5561, to enhance the economic development of Guam, the Virgin Islands, American Samoa, and the Northern Mariana Islands.

Agreed to an amendment in the nature of a substitute.

Page 19774

**Public Debt Limit:** By a ye-and-nay vote of 138 yeas to 282 nays, Roll No. 286, the House failed to pass H.R. 5927, to increase the statutory limit on the public debt.

Rejected an amendment that sought to set the statutory limit at \$1.753 trillion (rejected by a ye-and-nay vote of 87 yeas to 332 nays, Roll No. 285).

Page 19781

**Quadrennial Political Party Conventions:** Objection was heard to a unanimous-consent request to consider H.R. 5950, to increase the Federal contribution for the Quadrennial Political Party Presidential National Nominating Conventions.

Page 19787

**Late Report:** Committee on Energy and Commerce received permission to have until 5 p.m. Monday, July 16, to file a report on H.R. 5640, to amend the Comprehensive Environmental Response, Compensation, and Liability Act of 1980.

Page 19788

**Land Remote-Sensing Commercialization:** House agreed, with an amendment, to the Senate amendment to the text of H.R. 5155, to establish a system to promote the use of land remote-sensing data—returning the measure to the Senate.

Page 19788

**NASA Authorization:** By a ye-and-nay vote of 298 yeas to 119 nays, Roll No. 287, the House agreed to the conference report on H.R. 5154, to authorize ap-

propriations to the National Aeronautics and Space Administration for research and development, space flight, control and data communications, construction of facilities, and research and program management—clearing the measure for the President.

Page 19793

**Committee To Sit:** Select Committee on Aging received permission to sit today during proceedings of the House under the 5-minute rule.

Page 19799

**Legislative Branch Appropriations:** By a ye-and-nay vote of 253 yeas to 157 nays, Roll No. 288, the House agreed to the conference report on H.R. 5753, making appropriations for the Legislative Branch for the fiscal year ending September 30, 1985.

House receded from its disagreement and concurred in Senate amendments numbered 1 and 12—clearing the measure for Senate action.

Page 19799

**District of Columbia Appropriations:** By a ye-and-nay vote of 308 yeas to 116 nays, Roll No. 292, the House passed H.R. 5899, making appropriations for the government of the District of Columbia and other activities chargeable in whole or in part against the revenues of said District for the fiscal year ending September 30, 1985.

On a demand for a separate vote, rejected an amendment that sought to reduce each amount funded by 2 percent (rejected by a recorded vote of 151 yeas to 273 noes, Roll No. 291). This amendment was agreed to earlier in the Committee of the Whole by a recorded vote of 239 yeas to 186 noes, Roll No. 290, after rejecting an amendment to the amendment that sought to reduce the total amount of funds by 1 percent (rejected by a recorded vote of 138 yeas to 286 noes, Roll No. 289).

Agreed to an amendment that includes the authorizing committees of Congress with jurisdiction over the District of Columbia to be entitled to inspect District of Columbia government personnel information.

H. Res. 533, the rule waiving certain points of order against the bill, was agreed to earlier by a voice vote.

Page 19807

**Late Report:** Committee on Banking, Finance and Urban Affairs received permission to have until midnight Thursday, July 12, to file a report on H.R. 5916, to impose limitations on the activities of depository institutions.

Page 19827

**Alcohol, Drug Abuse and Mental Health Services:** House passed S. 2303, to revise and extend the Alcohol and Drug Abuse and Mental Health Services block grant.

Agreed to an amendment in the nature of a substitute (text of H.R. 5603).

Agreed to amend the title.

House then insisted on its amendments to S. 2303, and asked for a conference. Appointed the following conferees: Representatives Dingell, Waxman, Scheuer, Broyhill, and Madigan.

Page 19828

**Federal Pay Equity:** By a yea-and-nay vote of 413 yeas to 6 nays, *Roll No. 294*, the House passed H.R. 5680, to promote pay equity and to eliminate certain discriminatory wage-setting practices within the Federal civil service; to establish a performance management and recognition system; and to improve the Senior Executive Service.

Agree To:

An amendment that requires that the study on pay equity be done by an outside consultant, rather than by the Office of Personnel Management. Rejected an amendment to the amendment that sought to change the definition of "discriminatory wage-setting practices" from "comparable working conditions" to "substantially equal working conditions" (rejected by recorded vote of 22 yeas to 395 nays, *Roll No. 293*); and

The committee amendment to title II.

Rejected an amendment that sought to prevent the use of the pay equity study in legal proceedings unless Congress enacts a law that endorses the findings of the study.

Subsequently, this passage was vacated and S. 958, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

## Chamber Action

**Bills Introduced:** 9 public bills, H.R. 6027-6035; 3 private bills, H.R. 6036-6038; and 4 resolutions, H. Con. Res. 341-342, and H. Res. 556-557 were introduced.

Page 21345

**Bills Reported:** Reports were filed as follows:

H.R. 6028, making appropriations for the Department of Labor, Health and Human Services for the fiscal year ending September 30, 1985 (H. Rept. 98-911);

H. Res. 556, waiving certain points of order against the consideration of H.R. 5921, making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1985 (H. Rept. 98-912); and

H. Res. 557, waiving certain points of order against the consideration of H.R. 5973, making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1985 (H. Rept. 98-913).

Page 21345

**Journal:** By a yea-and-nay vote of 355 yeas to 28 nays with 6 voting "present", Roll No. 317, the House approved the Journal of Wednesday, July 25.

Page 21228

**Education Amendments:** By a yea-and-nay vote of 307 yeas to 85 nays, Roll No. 326, the House passed H.R. 11, to extend through fiscal year 1989 the authorization of appropriations for certain education programs.

Rejected a motion to recommit the bill to the Committee on Education and Labor.

Agreed to the committee amendment in the nature of a substitute.

Agreed to an amendment, as amended by a substitute, as amended (agreed to by a recorded vote of 378 yeas to 29 noes, Roll No. 320), that provides that no State or local educational agency shall deny individuals in public schools the opportunity to participate in moments of silent prayer nor shall the United States or any State or local educational agency require any person to participate in prayer or influence the form or content of any prayer in such public schools (agreed to by a recorded vote of 356 yeas to 50 noes, Roll No. 321).

Prior to agreeing to the substitute to the preceding amendment, took the following actions:

Agreed to an amendment to the original amendment that would have struck the Federal funding penalty concerning public schools and provided that no State or local educational agency could deny individuals in public schools the opportunity to participate in moments of silent prayer; and

Rejected an amendment to the original amendment that sought to prohibit the use of Federal funds to any State or local educational agency which has a policy of preventing voluntary prayer and provide that such agencies may limit spoken prayer during instructional periods (rejected by a recorded vote of 194 yeas to 215 noes, Roll No. 319).

Agreed To:

An amendment that extends the regulation that determines the size of the Pell grant that a student receives for the 1986-1987 academic year;

An amendment, as amended by a substitute, that provides for a limit in the authorization to a level approximately 50 percent below the level in the bill, as reported, and approximately 50 percent above the level in the House-passed budget resolution (agreed to by a recorded vote of 397 yeas, Roll No. 325). Earlier, rejected a perfecting amendment to the substitute that sought to limit the authorization level to the budget level in the House-passed budget resolution (rejected by a recorded vote of 169 yeas to 233 noes, Roll No. 324); and

An amendment, as amended by a substitute, that eliminates the section concerning the removal of advisory council members.

Rejected an amendment that sought to provide that those appointed to advisory councils on or after the date of enactment shall not be removed from such council except for cause (rejected on a division vote of 19 yeas to 21 noes).

Subsequently, this passage was vacated and S. 2496, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

House then insisted on its amendments to S. 2496, and asked for a conference. Appointed as conferees: Representatives Perkins, Ford of Michigan, Andrews of North Carolina, Miller of California, Corrada, Kildee, Williams of Montana, Hawkins, Biaggi, Boucher, Ackerman, Burton of California, Hayes, Erlenborn, Goodling, Packard, Roukema, Gunderson, Bartlett, Nielson of Utah, Chandler, and Tauke.

The Clerk was authorized to correct section numbers, punctuation, and cross references, and to make such other technical and conforming changes as may be necessary in the engrossment of the House amendments to S. 2496.

Page 21231

**Late Report:** Committee on Appropriations received permission to have until midnight Friday, July 27, to file a report making supplemental appropriations for the fiscal year ending September 30, 1984, and for other purposes.

Page 21285

**Trade Remedies Reform:** By a recorded vote of 259 ayes to 95 noes, Roll No. 328, the House passed H.R. 4784, to reform the remedies available to United States producers regarding unfair import competition.

Rejected a motion to recommit the bill to the Committee on Ways and Means with instructions to report it back forthwith containing an amendment in the nature of a substitute to make changes concerning downstream dumping provisions, import monitoring provisions, and natural resource provisions (rejected by a ye-and-nay vote of 128 yeas to 231 nays, Roll No. 327).

Agreed To:

The Committee amendments; and

An amendment that strikes all references to export targeting subsidies and replaces that with language requiring certain government agencies to conduct studies of the export targeting subsidy program.

H. Res. 504, the rule under which the bill was considered, was agreed to by voice vote.

Page 21286

**Preservation and Management of Federal Records:** House agreed to H. Res. 534, providing for the consideration of H.R. 3987, to improve the preservation and management of Federal records.

Page 21337

**Hunger Relief:** House agreed to H. Res. 517, the rule providing for the consideration of H.R. 5151, to alleviate hunger in the United States by strengthening Federal nutrition programs.

Page 21338

**Interparliamentary Union:** The Speaker appointed as members of the delegation to attend the Conference of the Interparliamentary Union to be held in Geneva, Switzerland, on September 24 through 29, 1984, the following Members on the part of the House: Representatives Pepper (Chairman), Hamilton (Vice-Chairman), Sam B. Hall, Jr., Kildee, Oakar, Mica, Harrison, Hyde, Roth, McGrath, Bateman, and Boehlert.

Page 23953

**Antitrust, Patent, and Copyright Innovation:** The Speaker appointed Representative Gregg as an additional conferee in the conference on S. 1841, to promote research and development, encourage innovation, stimulate trade, and make necessary and appropriate amendments to the antitrust, patent, and copyright laws.

Page 23958

**Supplemental Appropriations:** By a ye-and-nay vote of 312 yeas to 85 nays, Roll No. 367, the House agreed to the conference report on H.R. 6040, making supplemental appropriations for the fiscal year ending September 30, 1984.

House receded from its disagreement and concurred in Senate amendments numbered 2, 13, 22, 23, 26, 28, 30, 32, 35, 36, 39, 43, 45, 47, 48, 49, 50, 51, 52, 61, 62, 66, 67, 77, 82, 85, 94, 99, 104, 106, 107, 110, 111, 116, 117, 118, 119, 124, 129, 130, 131, 135, 136, 138, 143, 145, 146, 148, 149, 151, 152, 153, 154, 157, 161, 163, 165, 167, 168, 170, 171, 199, 211, 212, 213, and 215.

House receded from its disagreement and concurred, with amendment, in Senate amendments numbered 3, 4, 6, 9, 11, 16, 20, 27, 40, 55 (after a point of order was sustained against a previous motion), 58, 63, 76, 81, 84, 87, 92, 96, 103, 132, 144, 147, 156, 158, 160, 164 (motion agreed to by a ye-and-nay vote of 234 yeas to 161 nays with one voting "present", Roll No. 369, after previously rejecting a motion by a ye-and-nay vote of 57 yeas to 340 nays, Roll No. 368), 166, 195, 201, 205, 209, 210, and 214.

House insisted upon its disagreement in Senate amendments numbered 155, 159, 162, and 208 (motion agreed to by a ye-and-nay vote of 378 yeas to 1 nay, Roll No. 370).

H. Res. 572, the rule under which the conference report was considered, was agreed to earlier by voice vote. Previously, an objection was heard to a unanimous-consent request that it be in order to consider the conference report and any amendments in disagreement subject to their availability for at least one hour.

Page 23979

**Superfund Expansion and Protection:** By a recorded vote of 322 yeas to 33 noes, Roll No. 373, the House passed H.R. 5640, to amend the Compre-

hensive Environmental Response, Compensation, and Liability Act of 1980.

Rejected a motion to recommit the bill to the Committee on Ways and Means.

Agreed to the amendment in the nature of a substitute made in order by the rule.

Agreed To:

An amendment that provides a clarification concerning the Attorney General representing EPA;

An amendment that limits certain citizen suits (agreed to by a recorded vote of 391 yeas, Roll No. 366);

An amendment that provides notice in contracts to buyers of property from the Federal Government on which regulated waste was disposed;

An amendment that clarifies provisions concerning Federal court jurisdiction;

An amendment that clarifies an exemption to certain regulated oil pipelines;

An amendment, as amended, that requires any tank holding a regulated hazardous substance, other than petroleum, to have an inner and outer shell, or other methods of containment; regulates the underground pipes which connect to above-ground storage tanks containing hazardous substances; and prohibits States from developing underground storage tank regulatory programs less stringent than the Federal program;

An amendment that provides for the establishment of a trust fund for comprehensive oil pollution liability and compensation; and

A technical amendment.

Rejected:

An amendment that sought to strike language providing for citizen suits (rejected by a recorded vote of 141 yeas to 248 noes, Roll No. 365);

An amendment that sought to provide an administrative mechanism to provide for compensation for victims of hazardous waste exposure and to set aside 12 percent of the Superfund for such purpose (rejected by a recorded vote of 159 yeas to 200 noes, Roll No. 371); and

An amendment that sought to terminate the tax provisions on September 30, 1986 (rejected by a recorded vote of 142 yeas to 205 noes, Roll No. 372).

An amendment was offered but subsequently withdrawn that sought to provide liabilities to owners or operators of hazardous waste sites by individuals adversely affected. Earlier, a point of order against the amendment was overruled.

The Clerk was authorized to correct section numbers, punctuation, and cross references and to make such other technical and conforming changes as may be necessary in the engrossment of the bill.

Page 23958

**Solid Waste Disposal:** House disagreed to the Senate amendments to H.R. 2867, to amend the

Solid Waste Disposal Act to authorize appropriations for the fiscal years 1984 through 1986; and agreed to a conference. Appointed as conferees: For consideration of the House bill and the Senate amendments except for section 28(c) of the Senate amendments: Representatives Dingell, Florio, Mikulski, Tauzin, Eckart, Dowdy of Mississippi, Broyhill, Lent, and Ritter.

Page 24416

**Drug Price Competition:** By a yea-and-nay vote of 362 yeas, Roll No. 379, the House passed H.R. 3605, to amend the Federal Food, Drug, and Cosmetic Act to authorize an abbreviated new drug application under section 505 of that Act for generic new drugs equivalent to approved new drugs.

Agreed to the committee amendment in the nature of a substitute.

Agreed to the Judiciary Committee amendments.

Agreed to an amendment that provides new language for the abbreviated new drug applications provisions.

Rejected the following two amendments to the preceding amendment:

An amendment that sought to preclude FDA approval of generic substitutes until 18 months, instead of 30 months, after the generic drug application in cases where patent litigation is underway (rejected by a recorded vote of 66 yeas to 304 noes with 1 voting "present", Roll No. 375); and

An amendment that sought to remove over-the-counter drugs from coverage under the bill (rejected by a recorded vote of 24 yeas to 347 noes with 1 voting "present", Roll No. 376).

Agreed to an amendment that provides new language for the new patent extension provisions; and

An amendment, as amended, that strengthens the provisions of law requiring labeling of textile and wool products to indicate country of origin.

Rejected the following three amendments to the preceding amendment:

An amendment that sought to strike provisions requiring catalog descriptions to clearly indicate

whether textile and wool products are domestically produced or imported (rejected by a division vote of 3 ayes to 23 noes);

An amendment that sought to strike language requiring catalog labeling on imported goods; and

An amendment that sought to change the effective date of catalog description provisions to items manufactured 180 days, rather than 90, after enactment (rejected by a recorded vote of 36 ayes to 323 noes with 1 voting "present", Roll No. 378).

Agreed to amend the title.

Subsequently, this passage was vacated and S. 1538, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

The Clerk was authorized to make technical corrections in the engrossment of the House amendments to S. 1538.
